Lincoln (NE) Journal Star - State officials decline to attend town hall to discuss AltEn Ethanol concerns – 2/23/21

Residents of Mead anticipated learning more about ongoing environmental contamination originating from AltEn in a community meeting with local leaders and officials from the Nebraska Department of Environment and Energy on March 1. On Tuesday, Saunders County Attorney Joe Dobesh said the meeting to discuss the troubled ethanol plant had been called off after state officials earlier this week turned down the county's invitation to participate. <http://bit.ly/2ZKdISk>
